Prepared by Tom Carlson based on his own or other family members' research(sister, aunt, uncle, maternal Smith grandparents)

Alexander Smith is my great-great-great grandfather and I am a descendant of his son, George Washington and Mary Ann (Rhodes) Smith.

I will not get my DNA analyzed. I have medical condition that 23 & Me says may generate unreliable genealogical results.

I doubt Alexander Smith's son Charles was a Tennessee soldier in the War of 1812. The descendants I've included were identified by the LDS church, a usually reliable source. I have not obtained professional military history or genealogy assistance to resolve my War of 1812 doubts. I have other brick walls I want to look at first.

³ Horatio Nelson aka Nelson Rhodes is younger brother of George B. Rhodes. Both George B and Nelson are brothers of Mary Ann Rhodes, George Washington Smith's wife.

DAR members by their DAR member number who cited Alexander Smith as their patriot are:

- 22501 (daughter of Alexander Smith),
- 28444 my aunt Kathryn,
- 293495 my third cousin once removed related through Charles N Rhodes, son of member 22501.
